Come me lads let us be jolly, drive away all melancholy for to grieve it

Come me lads let us be jolly, drive away all melancholy for to grieve it

Come me lads let us be jolly, drive away all melancholy for to grieve it

Come me lads let us be jolly, drive away all melancholy for to grieve it

is a folly when we are to get - her. Let union

is a folly when we are to get - her.

is a folly when we are to get - her. Let un - ion

is a folly when we are to get - her.

Come my lads, let us be jolly
Drive away dull melancholy,
For to grieve it is a folly
When we are together.

Eating, drinking, there's a charm in,
Piping, dancing, there's no harm in.
All these things we take delight in
When we are together.

Cease your quarreling and fighting,
Evil-speaking and backbiting.
All these things take no delight in
When we are together

Grab the bottle as it passes,
Do not fail to fill your glasses.
Good health to all lads and lasses
When we are together.
