Bring your friends and a picnic or, even better, enjoy Clifton's restaurants and hospitality. Respect social distancing.

There will be a collection each week for a different charity which has striven to meet the exceptional needs within our City during lockdown.

Please come along with friends and a drink, enjoy getting together and combine it with some late night shopping or booking a local restaurant. The aim is to bring enjoyment to Clifton Village.

21 July	Flourish from the Bagpipes, followed by The Brigstowe Village Band. Charity: Caring in Bristol
28 July	Flute and Harp duo. Charity: Children's Hospice South West
4 August	Sion Singers. Charity: Young Bristol
11 August	City of Bristol Brass. Charity: Gympanzees
18 August	Pas Mall String Quartet with oboe. Charity: Off the Record
25 August	Changing Tunes performing for their own charity.

As the events are in the open air they are subject to the Great British weather. Singers are waterproof but violins are not! Events may be cancelled on the night before in which case organisations which have publicised the events will be notified. If a cancellation occurs on the day please offer your friends a wet weather alternative. Any cancelled events will be rescheduled into September.

Likewise if the Rule of 30 is extended beyond 19 July we will have to postpone.
